Our April competition at Gresford was a great success. The feedback received by the committee on the day indicated that most people were happy with the ground and the facilities offered. Due to concerns about the condition of Dungog Showground surface, we have decided to hold the June competition at Gresford Showground as well. We will be running Advanced tests as the surface at Gresford supports these tests better than the sloping surface at Dungog.

Enclosed is the entry form for our official competition on Sunday 21<sup>st</sup> June 2009. Lesley Fenner has graciously offered to act as event secretary for this competition so note the alternate address and phone number and **try and get your entry in nice and early**. We still need to collect horse attendance forms so please fill them in and either send them with your entry or present them to the gear checker on the day. Memberships were due as of 1<sup>st</sup> of March so you will need to renew to ride as a member at this competition. We hope to see you there.

President.
