Welcome members,

Well we have now been foiled twice in a row with the weather – fingers crossed that our August 14th competition sees us all able to compete in lovely weather.

Entry forms came thru thick and fast for our June 19th competition, so much so that we had to put on an extra arena (thank you must go to the Pony Club for allowing us to use their ground)! We received in excess of 200 entries – giving Tracie the daunting task of not only organising her first draw but juggling numbers. With that many entries we had to do a 'first in best dressed' scenario, utilising a Scratching List. Therefore if you are keen to enter our August competition please ensure you have your entries in on time. Entries will close Wed 20th July 2011 as Tracie will be away on holidays and will be doing the draw before she goes.

After a number of requests from our members we will be running both Medium & Advanced tests again, there is certainly a demand & from feedback received we will also be making all tests Elementary & above Official so you can all obtain those grading points!

Also as a first, for those that are interested we will be running an OFFICAL PRELIM test along with the 2 Associate prelim tests.

Remember that membership's were also due from 1st March 2011 so make sure you fill out the membership form enclosed to ensure you are a financial member.

We look forward to seeing you all at our next competition.

Warm regards,

Yvette Phillips

Secretary
