We had a wonderful day for our April Competition. Gresford seemed to be one of the few places in the Hunter Valley that did not receive a deluge of rain in the week before the competition was held, and both the grounds and the weather were beautiful on the day.

Our next competition will be held on Sunday 24th June 2012. The entry form is enclosed along with the results from our April Competition. Don't forget to include a signed disclaimer with your entry, along with your email address if you would like a copy of the draw emailed to you.

We look forward to seeing you all at our next competition and hope the weather is fine!
